SPIRITUAL LEADERSHIP

Your leadership call is not by mistake. It is deliberate.....

Your ministry is an assignment, and will be used to rate your heart and performance. It is through your ministry that you will receive “crowns”. Matthew 25: 14-30. Hebrews 2:9, 1 Peter 5:4

Your ranking and level in the Kingdom is determined by what you do. Angels in heaven are defined by what they do. You are precious in the eyes of the Lord not only because He loves you but because you have assumed responsibilities of your position in Him. There is no chance for idleness in the Kingdom of God.

SPIRITUAL LEADERSHIP

Remember: real church growth is in the
spiritual, not just numerical!.....

Dorcas was valued for what He did. Many people wept when she died. Acts chapter 9: 36-43. They valued her to the extent they would go to Peter to ask him to do something about it ...

It is a painful death if you are not missed by many who have been beneficiaries of your ministry.

spiritual, not just numerical!.....

... Phinehas the javelin thrower was blessed for what he did. (Numbers 25:7) David was blessed for generations to come because of what He did. Hezekiah's prayer was turned around for what HE DID. Cornelius, centurion of the Italian band, was respected for what he did. Please be sure you are doing good with good motives. (Acts 10:1,

You must understand that God respects and rewards good stewardship.(Luke 12:42-48, Hebrews 11:6, 1 Corinthians 3:8-14)

SPIRITUAL LEADERSHIP

A church can only grow truly in number when its members grow in depth and commitment.....

**YOU HAVE TO CONNECT TO YOUR MINISTRY SO THAT YOU CAN
CONNECT YOUR MINISTRY TO THE CHURCH.**

**If we do not connect to God, it is most likely we will do ministry in the
flesh and may not fulfil it.**

A prayerless minister will be running a prayerless ministry.

SPIRITUAL LEADERSHIP

The way to master sin is only through
the power of the inner man.

A minister who does not connect to God cannot connect to other ministers and ministries in the church, and thereby contributes to the killing of the church....

A minister who needs to pray whether he feels like praying or not. He has to be committed to praying before he goes out, comes in, embarks on any duty or job, eat, starts a meeting etc...
