# SPIRITUAL LEADERSHIP

You are a spiritual leader. You need to  
know who you are.....

Within Christianity, "spiritual" has to do with the work of the Holy Spirit. So spiritual leadership has to do with leading people in the way that the Holy Spirit leads people. This is to say that a spiritual leader is a leader who is himself in pursuit of God through the Holy Spirit and leads people out of his following of God.

know who you are.....

A spiritual leader inspires others to a living that is conscious and obedient to the Holy Spirit. A Spirit-filled life. That moves away from Carnality .(Galatians 6:8, Romans 8:6)

A leader leads him or herself as he leads others. The aim of God is to build you through a leadership call.
