SPIRITUAL LEADERSHIP

Your leadership call is not by mistake. It is deliberate.....

Increasing membership should not be more highlighted than increasing God. We have to increase in bearing fruits, in confidence, in Love.

Our objective in this training is to learn ways to drive growth through connectivity. A minister must know his ministry and connect with his ministry. To connect with our ministry, we must find joy in doing what we are doing. We must aspire to it better. We must do it just for the purpose of glorifying God. We must do it to the best of our ability. But can we do all these in flesh? No.

SPIRITUAL LEADERSHIP

Remember: real church growth is in the
spiritual, not just numerical!.....

The minister must connect to and with God, in order to connect with his or her ministry. We cannot do the work of God without God doing it through us.

If we do not have the right spiritual leadership how are we going to have mothers, wives, husbands, carers, workers, good neighbours and citizens who will perform in the way of the Lord? Who will do excellently?

SPIRITUAL LEADERSHIP

Remember: real church growth is in the spiritual, not just numerical!.....

To connect to God, you must tie yourself to communion. **YOU MUST LEARN TO** stay in His presence and be His friend. You must defy the barriers of connectivity with God. The barriers are the things of this world- Material possession, career position, sinful pursuits, ungodly relationships, social standing... all these are eaters of your time with God. Get God's word into your heart so deep that no one else's opinion is important.

SPIRITUAL LEADERSHIP

Remember: real church growth is in the
spiritual, not just numerical!.....

A minister must learn how to connect with and to God..
Pray without Ceasing....1 Tess 5:17...A busy man cannot connect with
God. How does the world make us busy? He uses devices.... Satanic
devices....It is in the place of prayer we can discern the strategies of the
enemy to chole our lives with activities that will not allow us connect with
the Father.

SPIRITUAL LEADERSHIP

The Church is the body of Christ on earth. It is a spiritual institution.....

Prayer is the way to free ourselves from the busyness imposed by the world. A minister needs to connect to God through unceasing Fasting and Prayer . Or else the enemy will take advantage of us ...
2 Corinthians 2:11. You need to develop a monthly, sustainable, practical plan of fasting and prayer that will ensure your soul is restored and refreshed in the Holy Ghost.

SPIRITUAL LEADERSHIP

A church can only grow truly in number when its members grow in depth and commitment.....

A minister needs spiritual discipline to connect with God as required.....

Keep Body under subjection. 1 Corinthians 9:27

Be slow to speak, and slow to wrath James 1:19.

Be careful not to look at others. 1 Timothy 6:10

Be careful of covetousness. Luke 12:15, Hebrews 13:5.

Ministry is a supernatural service that channels the flows of the Kingdom through the anointed, gifted, and those called by God.

SPIRITUAL LEADERSHIP

The way to master sin is only through
the power of the inner man.

What does the minister do or ask in his prayer schedule?

Ask for line of direction and line of action. Acts 9:6.

Our connection with God is to understand where the gaps are, and to take action to fill them so that the Kingdom of God can be established effectively....

If we do not know what to do and do them wrongly it is an invitation to rebuke. Let us discuss here the children of Noah. But if we do, we will be rewarded with blessings Genesis 9: 23-27.

As ministers, our prayers are also for sharpness and vigilance. In Exodus 17:10 We see the action of Aaron and Hur. It was possible because they were connected in vigilance and watchfulness.

Phineas the son of Eleazar Numbers 25:7 did what he did by courage. Our prayer needs to involve asking for courage to take action after seeing the gap.
